U.S. District Court,

I feel that the Utah Board of Pardons and Parole are in a Gross abuse of Discretion in their decision in my Hearing, which I also feel is illegal.

The Utah Board of Pardon and Parole, who seems to think that they are a part of the Judicial System, has decided for me to EXPIRATE my 1 to 15 years sentence, with out the chance for Parole.

All because, I completed the first phase of my treatment, and was due to take a up coming Polygraph which I greatly feared, knowing that a failed or false reading would take me back to Prison, and I walked away from the half-way-house.

I do have document of the above, showing that they did recognized that I did fear the Polygraph.

The Utah Board of Pardon and Parole has failed to recognize that fear is a powerful thing: it can over ride logical thinking and produce irrational Behavior, and has failed to understand my mental state at the time.

And that here, in 2010, I was recently diagnosed with: PROVISAT Developmental Disorder, by The Florida Department of Corrections (Reception Medical Center, ATTN, Inactive Medical Record, P.O. Box 628, Lake Butler, Florida 32054, (386) 496-6497))

also, in 2000, I was diagnosed with: Aspergers Disorder, By: DR. MARK SMASAL, Clinical Psychologist, P.O. Box 1430, St. George Utah 84771 (435) 666-9776

which go to say that I may not have had the logical thinking any way.

As it may be, I have been sentence in 2001 upon this 1 To 15 year sentence with out any pending charges, and, I have a 64 months sentencing matrix, in which, I have already spend 113 months on this sentence, with 67 months to go. ( 49 months over my sentence matrix ) and being forced to do the remaining 67 months.

This is INJUSTICE, can charges be brought against the Utah Board of Pardon and Parole, ?

I would like to talk to some one about filing the charges.

I have paper work to prove this.
